Committee recommended two changes not anticipated to significantly impact the budget:</p> <p>By-law 19.01 – Application fee – reducing fee from \$150 to \$100 plus applicable taxes By-law 19.04 – Examination fee – reducing fee from \$500 to \$400 plus applicable taxes</p> <p>It is clear some confusion still exists around what it means to be part of an association and part of a College. Consultants are currently looking at six schools - Brock, Laurentian, McMaster, Ottawa, Waterloo and Windsor - reviewing coursework against core competences to adequately assess the various degree content across Ontario and internationally. The aim is a good comparator model. Brock, Waterloo and Laurentian are complete; the others are set to complete by end of October. Communications team will review the submissions and provide analysis.</p> <p>The Examination Committee met twice in October to approve two exam formats. French content is to be reviewed in January to ensure nuances and terms are accurately reflected.
